**International  
Conference**

## **Bridging Visions for Learning**

Joint initiative of the **ECOLE Comenius Network** and the **European Schools Project** aims at connecting the best practices in **Computer Supported Collaborative Learning.**

25<sup>th</sup> – 28<sup>th</sup> March 2004

Prague, Czech Republic

## Target group

Teachers and headteachers who aim at implementing the best practices in Computer Supported Collaborative Learning (CSCL) in multiple areas such as **educational innovations, project methods and partner finding, technology and human development context, and teacher training.**

## Main Themes:

- designing, planning and evaluation of Computer Supported Collaborative Learning projects
- teachers' professional development in internationalisation, project-based learning and teaching, and ICT-usage
- exploration of electronic learning environments and advanced ICT-tools for collaborative learning and teaching

## Main Activities:

- debate and discuss relevant issues of teacher training with colleagues
- familiarise oneself with best practices and projects based on Collaborative Learning and Educational use of ICT
- take part in workshops for the implementation/follow-up of Computer Supported Collaborative Learning projects
- find partners for the development of collaborative projects
- attend presentations which contextualize and give a deep insight into both the technical and human challenges CSCL entail
- share experiences and exchange views with partners from other countries
- get acquainted with the latest developments in the field of interactive resources for teachers involved in CSCL projects

## How to get funded

Teachers who attend the ECOLE Comenius Network conference can be funded by Socrates programme through:

- existing **Comenius 1 project** budget (Comenius 2 if they are involved as teacher trainers)
- Comenius 1 **preparatory visit** if they intend to set up new Comenius projects
- Comenius Network conference **contact seminar**

*The bust of John Amos Comenius on Faculty of Education in Prague*

## Contact seminar

A special opportunity for teachers, who wish to start a new transnational collaboration in the form of a Comenius projects, to find partners, come to know them and discuss the future cooperation. The programme of Contact seminar starts one day earlier (24<sup>th</sup> of March) with additional lectures dedicated to the introduction of CSCL with emphasis on the Comenius project. The participants of the Contact Seminar can take a fully-integrated role in the ECOLE/ESP conference that follows.

**For more details contact your local Socrates agency!**
